Sheriff Civilian Oversight Commission

## REQUEST FOR INFORMATION ON LASD LEGISLATIVE POSITIONS:

The Civilian Oversight Commission (Commission) was created to improve transparency and accountability concerning the Los Angeles County Sheriff's Department (LASD) and provide ongoing oversight of LASD's policies and procedures. Efforts to improve LASD often require the monitoring of legislative enactments.

Legislative enactments can be highly instrumental in impacting LASD's policies, practices, and procedures. As a result, the Commission requests that LASD provide the Commission with a copy of "LASD Legislation Position Letters" annually effective as of May 31, 2023.

## REASON FOR REQUEST:

Fulfillment of this request will enable Commission members and the public to secure a greater understanding of LASD operations and LASD's position regarding pending legislation.

## WHEN SPECIFIC INFORMATION IS NEEDED:

Please provide the initial response to the above request by **May 31, 2023**.
