## REQUEST FOR INFORMATION AND DATA ON THE USE OF TASERS:

On April 7, 2023, the Los Angeles County Sheriff's Department (LASD) provided the Commission's Ad Hoc Committee on Tasers information regarding the LASD's use of tasers. The Ad Hoc Committee continues to review LASD's policies, practices, and procedures, including data related to tasers.

On May 12, 2023, the Commission participated in a taser demonstration arranged by LASD and representatives from Axon. The demonstration featured the Taser 10 and its capabilities.

Based on the information received at the Ad Hoc Committee meeting and during the taser demonstration, the Ad Hoc Committee requests a response to the following regarding the Taser 10 pilot test:

1. Provide the name of the operation and/or unit where LASD intends to commence the pilot test
2. The pilot test duration
3. The criteria used to identify the operation/unit selected to pilot test the Taser 10
4. Provide the Taser 10 sample policy provided by Axon
5. Provide the Taser 10 policy LASD intends to use during the pilot test
6. Provide the contact information of the person overseeing the Taser 10 pilot test

## REASON FOR REQUEST:

Fulfillment of this request will enable the Commission and the public to better understand LASD's use of tasers.
